SHARP®

"Hands-Free" for Free

Promotion for "Contactless" MFP Technology

Now through December 31st

For a limited-time, Sharp is giving away hands-free technology with every purchase or lease of a Sharp Advanced Series A3 MFP to promote health and safety in the workplace!

FREE Amazon Echo Dot and holder

Get hands-free, voice-first interaction with Amazon Alexa on select MFPs to control the device with simple verbal commands.

FREE One-year Synappx Go™ subscription for 10 users

Ease employee anticipation about touching shared office equipment by limiting contact with high-touch surfaces using a smartphone to easily print, copy and scan.

Learn how this promotion can help your workplace go "hands-free".

Where to Buy

Terms and Conditions: Promotional offer is for the purchase or lease of an eligible Sharp Advanced Series A3 MFP model. Equipment must be invoiced and installed by December 31, 2020 to qualify. Use of the Alexa Dot requires organization Amazon account. Synappx Go requires Microsoft 365 for Business/Education/Government or Google Workspace. For information about a complete supported environment, visit the Synappx Go Support Center.
