

Smarter Education Technology for the classroom and beyond

In education, having the right technology can make a world of difference. That's why, Sharp is proud to offer solutions that can foster collaborative classrooms and bolster campus-wide efficiencies.

Displays and Projectors

From collaboration and large format displays to state-of-the-art projectors with minimal maintenance, Sharp helps you enhance learning.

Laptops and Accessories

Fill technology gaps with laptops, monitors and accessories to enable distance learning.

Unified Communications

Help teachers and students connect through Microsoft 365 collaboration tools as well as a unified platform for voice, chat, video and more.

Copiers and Printers

Use a smartphone app or Amazon Alexa voice-first interaction on select models to print, copy and scan.

Digital Files and Workflows

Digitize paperwork and processes and manage files in one location for secure access, in or out of school.

IT Services and Support

Remote help desk support for troubleshooting and IT services to help protect personnel and student records.

Learn how we can help support your school's technology needs today.
