

Simply Smarter Libraries

Technology for connected, secure and engaging spaces

Today's libraries are more than places to access books. They are community hubs, learning environments and digital resource centers. Sharp helps libraries better serve their communities with reliable technology that streamlines operations, enhances accessibility and supports engagement.

Interactive Displays

Bring interactive learning to programs and meetings while sharing events and updates throughout your library.

Dynabook Laptops

Enable librarians and staff to work efficiently from anywhere, whether assisting patrons on the floor, managing circulation desks, or supporting remote work environments.

Direct View LED Displays

Promote events, announcements and community initiatives with high-impact, high-visibility displays. Perfect for outdoor signage and large public spaces.

Copiers and Printers

Deliver reliable printing, scanning and digitization while enabling self-service workflows for patrons.

Cloud and Workflow Solutions

Modernize document management with intelligent scanning workflows and cloud-based solutions that improve accessibility, organization and efficiency.

Managed IT Services

Protect sensitive data and ensure uptime with comprehensive IT services, including cybersecurity, Backup & Disaster Recovery (BDR) and network management and support.
