

Simply Smarter Accounting Firms

Meet your workplace needs while maximizing efficiency

Ensure your processes are streamlined, your technology runs smoothly and help your firm comply with financial regulations and security standards. Let Sharp guide you to success.

Displays and Projectors

Transform your collaborative spaces with displays and projectors to easily review financial reports, client presentations and tax documents.

Laptops and Accessories

Equip your accounting firm with security-first laptops, monitors and accessories to maximize productivity and help ensure data security.

Unified Communications

Help accountants and clients connect through Microsoft 365 collaboration tools as well as a unified platform for voice, chat, video and more.

Copiers and Printers

Manage financial documents and client matters with award-winning copiers and printers that include built-in data protection.

Digital Files and Workflows

Digitize paperwork and processes and manage files in one location for secure access, in or out of the accounting firm.

IT Services and Support

Remote help desk support for troubleshooting and IT services to help protect personnel files, financial records and client data.
