

# Simply Smarter Solutions for Insurance

Streamline workflows for better efficiency, service and compliance

In the fast-paced world of insurance, making the most of your time is important, which is why helping to ensure optimized processes, seamless technology operation, and compliance with applicable privacy and security laws is essential. Sharp can help.

## Displays and Projectors

Present your graphs and data reports clearly with interactive displays that enable seamless collaboration with team members and clients, creating a compelling visual impression for proposal meetings.

## Laptops and Accessories

Equip your insurance agents with the latest laptops, monitors and accessories to optimize productivity and help maintain data security.

## Unified Communications

Help your clients and insurance professionals connect through Microsoft 365 collaboration tools as well as a unified platform for voice, chat, video and more.

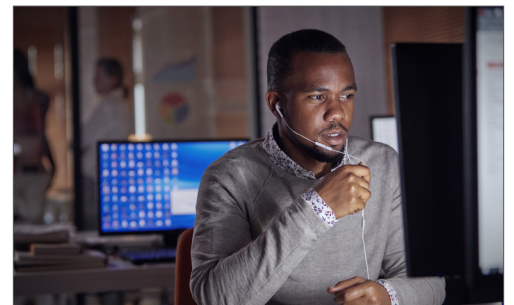

## Copiers and Printers

Print various types of insurance proposal documents and client matters, while controlling copy, print and scanning expenses.

## Digital Files and Workflows

Digitize paperwork and processes and manage files in one location for secure access, in or out of your insurance firm.

## IT Services and Support

Remote help desk support for troubleshooting and IT services to help protect personnel and client's records.
