

Simply Smarter Nonprofit Organizations

Technology for service and community

Having the right technology for a nonprofit drives meaningful change. Sharp is proud to offer solutions that enhance operational efficiency, improve donor engagement and provide seamless digital experiences to support your mission.

Displays and Projectors

Boost your nonprofit's outreach with projectors and large format displays. Share updates, event info and community news effectively while enhancing presentations and showcasing content.

Laptops and Accessories

Equip your staff with the latest laptops, monitors and accessories to manage volunteer information, streamline event coordination and handle administrative tasks.

Unified Communications

Help your team connect through Microsoft 365 collaboration tools as well as a unified platform for voice, chat, video and more.

Copiers and Printers

Save on costs and streamline operations with copiers and printers for producing donor materials, grant applications and event signage.

Digital Files and Workflows

Digitize paperwork and processes and manage files in one secure location ensuring easy access for staff.

IT Services and Support

Remote help desk support for troubleshooting and IT services to help ensure financial data of donors and personnel is protected.
