PN-E Series Large Format Displays

Experience the perfect blend of essential performance and sleek design, available now at new, lower prices for your business needs.

Stunning 4K Visual Clarity

Capture your audience's attention with a brilliant 4K UHD* panel that delivers superb picture quality. Whether for digital signage or workplace collaboration, your content will look bold and vibrant.

*PN-E329 - 1080p panel only

Seamless USB-C Connectivity

Simplify your setup with modern USB-C support that handles audio and video through a single connection. Just plug in your device and start sharing immediately without any hassle.

High Haze Anti-Glare Technology

Ensure your message remains clear and visible even in high ambient light areas. The high haze panel scatters incidental light, reducing distracting glare to keep the focus on your content.
