

Satellite Pro Series

Outstanding mobility. Incredible value.

The budget-friendly Dynabook Satellite Pro™ laptop series strikes the ideal balance of performance and portability. With a focus on mobility, the series features a 14-inch (14-inches diagonal) thin bezel display, a powerful 13th Gen Intel® Core™ processor, the new Windows 11 operating system, Wi-Fi 6 and Dynabook's +Care Service® Warranty with On-site.

Processor

With 13th Gen Intel® Core™ processor options, the Satellite Pro™ series benefits from the massive performance boost and enhanced efficiency afforded by Intel's all-new hybrid architecture mobile processors.

Audio

Great for collaborating and videoconferencing, the integrated stereo speakers produce clear audio, while the dual microphone array is designed to focus on your voice.

Operating System

The Satellite Pro™ series can be pre-configured with either Windows 10 Pro or Windows 11 Pro, two of the most widely utilized and secure computer operating systems.

Input Devices

Ideal for the modern mobile professional, the Satellite Pro™ series packs HDMI®, Gigabit LAN, 3.5mm audio, USB-C® and USB-A ports and a microSD™ card slot for a clean, adapter-free workspace.

Compact

Now lighter and more compact than ever, the Satellite Pro™ series packs a productivity-enhancing workspace, complete with a narrow-bezel 14-inch (14-inch diagonal) display, full-size keyboard and large ClickPad.

Docking

With a healthy selection of ports for displays, data sharing and power, Dynabook offers single-cable USB-C® docking solutions that can connect up to three external displays.
