# SHARP®

# Simply Smarter Solutions
## FOR HEALTHCARE

Patient Care is the core focus of your organization. Our hardware, software and services are built with security, reliability and ease of use/admin in mind, to keep you concentrated on what matters most.
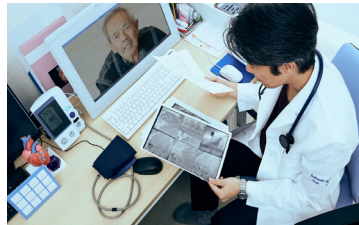

### Commercial Displays
Digital signage to enhance clinical stations, patient rooms, public areas and staff/admin meeting rooms.

### Copiers & Printers
Secure, seamless, integrated experience for IT admins and end users alike for mission critical printing, copying, scanning and faxing.

### Unified Communications
Support TeleHealth services while improving efficiency and patient satisfaction with a single platform for voice, chat, video and utilization tools.

### Advanced Print Apps
Enhance security and control costs by leveraging apps that provide user authentication and secure print release.

### National Contract Purchasing
Acquire product and services at nationally negotiated pricing via Healthcare GPO agreements.

### Interoperability / EHR Integrations
Integrate with Cerner, Epic, Meditech and more to allow for a seamless and secure user experience.

### IT Admin Tools
Smarter tools for device monitoring/configuration, driver distribution and user management and reporting via centralized admin console.

### IT Services & Support
Expert resources to manage/augment your IT initiatives and projects, manage/monitor endpoints, optimize security and maintain compliance.
