## 5 Benefits of Printing In-House

As communities of faith reopen, the CDC recommends limiting frequently shared objects.<sup>1</sup> An emerging trend is to print single-use prayers and bulletins for each congregant to help ensure everyone's safety while practicing their faith.

### Stay Safe

Keep congregants safe and engaged with a fresh copy of your prayer leaflets and song sheets.

01

### Save Money

Outsourcing can be costly. Print programs, bulletins and newsletters in-house and stop paying for excess copies.

02

### Stay Nimble

Make changes on the fly to printed weekly sermons and other leaflets.

03

### Save Time

Stop ordering print jobs in advance and waiting for orders to arrive; print what you need when you need it.

04

### Spark Creativity

Produce colorful, professional bulletins, flyers, booklets and more with one machine that can help do it all.
