

# Simply Smarter Solutions for Houses of Worship

Enhance collaboration, operations and services

The right technology can significantly benefit houses of worship by improving how they operate and connect with their communities. That's why Sharp is proud to offer solutions that can enhance collaboration, operation and services.

### dvLED Displays and Projectors

Sharp dvLED video walls and projectors can create a visually immersive environment that enhances the emotional impact of worship.

### Laptops and Accessories

Equip worship staff and volunteers with laptops, monitors and accessories to bridge technology gaps and support learning for spiritual education and community engagement.

### Unified Communications

Help leaders and organizers connect and hold virtual services through Microsoft 365 collaboration tools as well as encourage a unified platform for voice, chat, video and more.

### Copiers and Printers

High quality printing equipment to easily print off pamphlets, weekly bulletins, envelopes and mailings, newsletters and signage.

### Digital Files and Workflows

Digitize paperwork and processes, such as financial reporting, records and fundraising materials and records, from one location for secure access.

### IT Services and Support

Houses of worship have an on-going need for efficient and practical solutions to technology issues, Sharp IT services can help.
