

Simply Smarter Real Estate

Elevate your property business with cutting-edge technology

In real estate, having the right technology can transform how you manage and market properties. That's why Sharp is proud to offer solutions to streamline property management and enhance client experiences.

Digital Signage

From virtual tours and property presentations to digital signage, Sharp helps you elevate every aspect of real estate operations, including showings and client meetings.

Laptops and Accessories

Equip your real estate team with the latest laptops, monitors and accessories to manage property information and streamline leasing and reporting processes.

Unified Communications

Help your real estate team connect through Microsoft 365 collaboration tools as well as a unified platform for voice, chat, video and more.

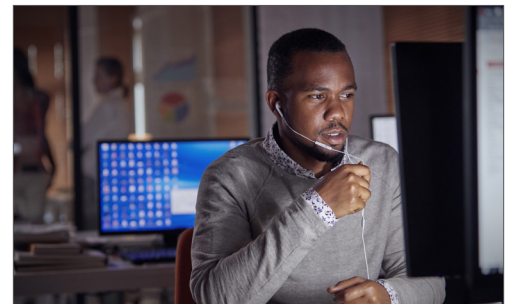

Copiers and Printers

Manage property documents, print brilliant flyers and brochures for showings with award-winning copiers and printers that include built-in data protection.

Digital Files and Workflows

Digitize paperwork and processes and manage files in one location for secure access, whether you're in the office or on the go.

IT Services and Support

Remote help desk support for troubleshooting and IT services to help protect personnel and client records.
