

# Simply Smarter Solutions for Title Companies

Technology designed to improve operations and the client experience

Having the right technology for title companies ensures streamlined operations. Sharp is proud to offer solutions dedicated to enhancing document management and data protection, improving client service and providing seamless handling of all transactions.

## Displays and Projectors

Showcase your title documents and transactions with large-format displays and projectors, enabling seamless collaboration with clients, attorneys and team members to ensure accuracy and efficiency.

## Laptops and Accessories

Equip your team with laptops, monitors and accessories to efficiently manage title searches, closings and client meetings across multiple locations, enabling seamless communication and project management.

## Unified Communications

Help your title company staff connect through Microsoft 365 collaboration tools as well as a unified platform for voice, chat, video and more.

## Copiers and Printers

Save on costs and streamline operations with copiers and printers for generating deeds, closing documents, title reports, power of attorney forms and other essential documents.

## Digital Files and Workflows

Digitize paperwork and processes to manage files such as title reports and closing documents whether in office or on the go.

## IT Services and Support

Remote help desk support for troubleshooting and IT services to help protect client records and sensitive transaction data.
