PORTÉGÉ® *X30L-M*

OUR LIGHTEST PREMIUM AI LAPTOP EVER!

At just under two pounds, this hyperlight-weight 13-inch, premium performance laptop delivers incredibly high-performance on-the-go computing without weighing you down.

PERFORMANCE & PRODUCTIVITY IN HARMONY
The Portégé X30L-M delivers exceptional performance with Intel® Core™ Ultra processors (Series 1), Intel® Arc® graphics, Windows 11 Pro, up to 64GB LPDDR5x memory, and up to 2TB SSD storage.

MEET YOUR PRODUCTIVITY WINGMAN
Copilot AI, accessible via a dedicated key, streamlines tasks, like launching apps and adjusting system settings , through voice or text commands, enhancing efficiency and device navigation.

A TOUGH BUT FEATHERLIGHT CHASSIS
With a hyperlightweight magnesium alloy chassis meeting MIL-STD-810H durability standards, the Portégé® X30L-M weighs under 2 pounds and packs a new 16:10 display, backlit keyboard, and large ClickPad.

AI-ENHANCED FEATURES
Maximize productivity with an AI-powered webcam that keeps your face in frame and eye contact on the viewers, AI-enhanced near and far-end noise reduction, and AI-enhanced battery management.

VIVID VISUALS AND SUPERIOR SOUND
The 13.3-inch 16:10 display provides more space for multitasking, while the upgraded DTS-enhanced speakers deliver superior audio quality for remote collaboration and media consumption.

SECURITY TAKEN SERIOUSLY
Featuring a secure mix of hardware, firmware, software and identity protection technologies, the Portégé® X30L-M is suitable for mission critical users in even the most data-sensitive industries.

+Care Service® Warranty with On-Site
Dynabook laptops boast one of the industry's lowest failure rates, which is why it offers one of the best standard warranties in the business. For even greater peace of mind, Dynabook's industry-leading +Care Service® Warranty with Onsite can be added for worry-free reliability with up to four years of coverage. With comprehensive warranty coverage and access to a vast service and support network, Dynabook helps businesses minimize downtime, reduce IT costs, and ensure uninterrupted productivity.
