

Experience Sharp From Anywhere

Virtual Demos at the Executive Experience Center (EEC)

There's no substitute for experiencing Sharp technology in person at the Executive Experience Center, but when travel or schedules make that difficult, our virtual demos offer the next best thing.

Designed to mirror real business environments, the Sharp EEC showcases how our technology ecosystem works together to improve collaboration, communication, productivity and workflow efficiency.

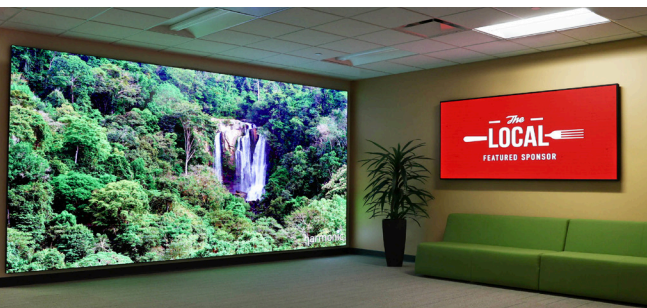

What You'll Experience

- Live, guided demonstrations tailored to your business needs
- Real-world workflows across print, display, collaboration and IT solutions
- Interactive sessions with Sharp experts where you can ask questions in real-time

Explore Our Technology

- Digital Press Series
- A3 & A4 MFPs and Printers
- dvLEDs
- AQUOS BOARD® Interactive Displays
- Projectors
- Dynabook Laptops

Why Go Virtual?

- Convenient and flexible scheduling
- No travel required
- Personalized, hands-on experience wherever you are

See It in Action. Understand the Impact. Contact your Sharp representative to schedule your virtual EEC demo today.
